To

.....Peter George D'Souza.....Esq., B.A., B.L.,

Secretary to the Government of H. H. the Maharaja of Mysore,

.....Education and Agriculture Department. S.

SIR,

I have the honour to state that a course of Sanitary Engineering and Plumbing was recently opened in the Victoria Jubilee Technical Institute, Bombay, and with a view to ascertaining whether there is any need in the State for men trained in the above subject, the Senior Surgeon and the Chief Engineer were consulted by me. The former states that men with such qualifications are not required for his Department, while the Chief Engineer says that the study of the above subject would prove useful to men to be employed in his Department and accordingly recommends that two scholarships of Rs.30 each per mensem may be awarded every year for the study of the subject in Bombay Technical Institute. I request that Government may be pleased to include the above subject in the list of subjects for which Technical scholarships are awarded by the Mysore Government, approved in Government Order No. 137-8/edu 2-4/14 dated 8th September 1914. The value of the scholarship may however be Rs.20 per mensem as in the case of other Technical subjects. No extra Budget provision is needed.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shama Rao
